

MORE THAN A *Kitchen* ...

KITCHENETTE | LOUNGE AREAS | OFFICES

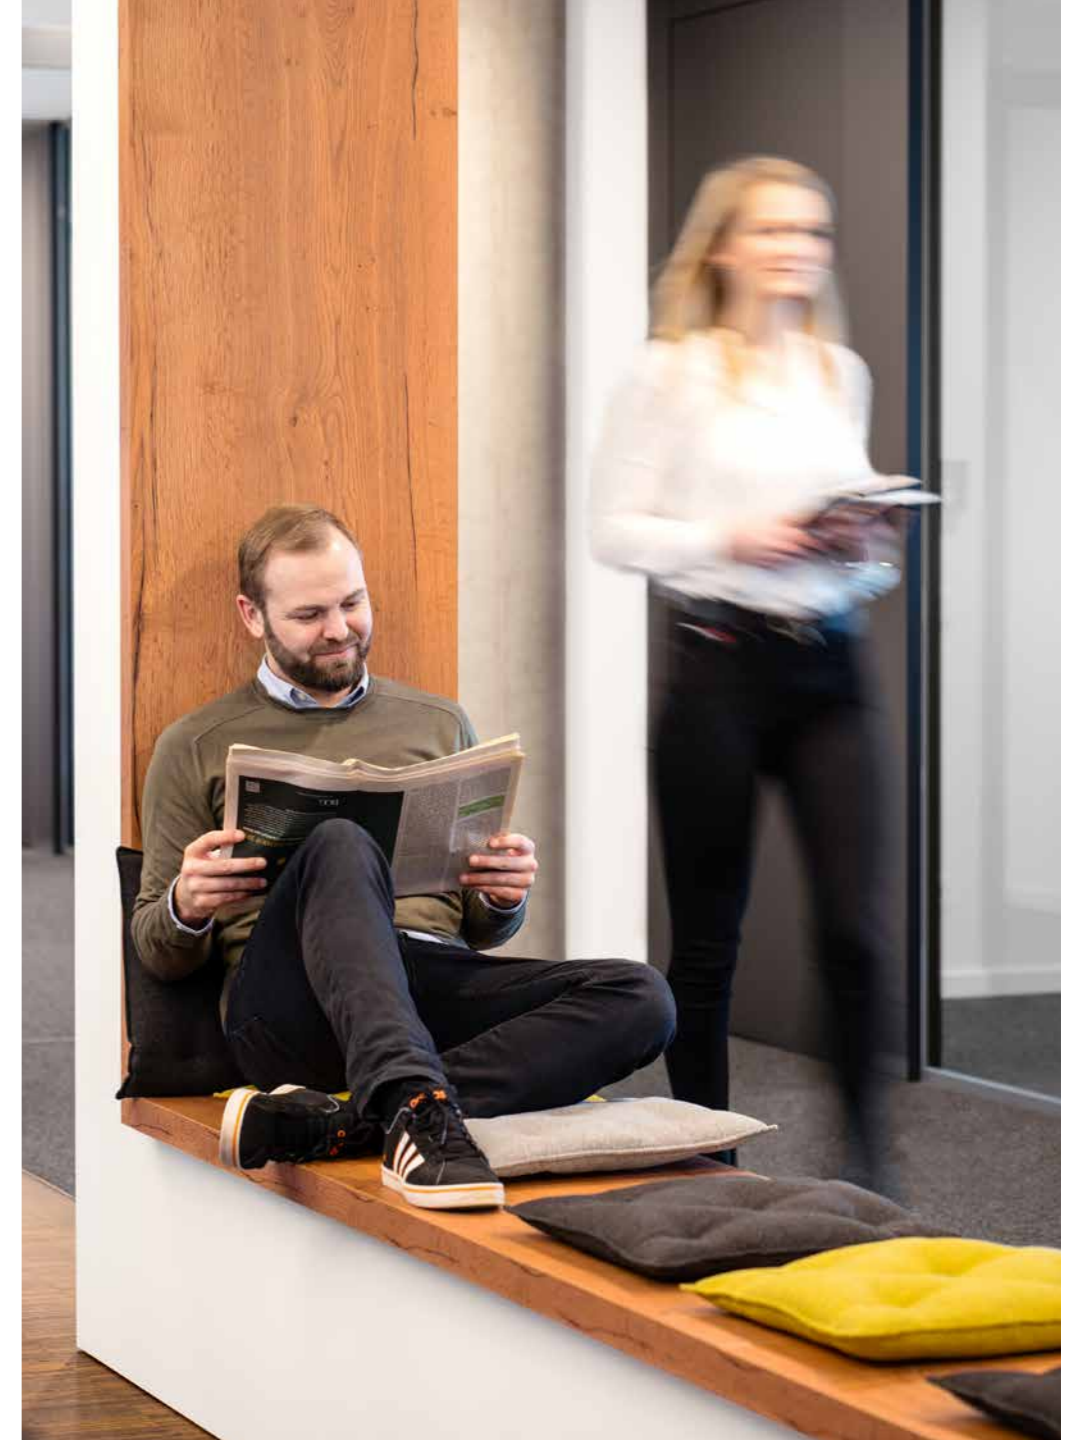

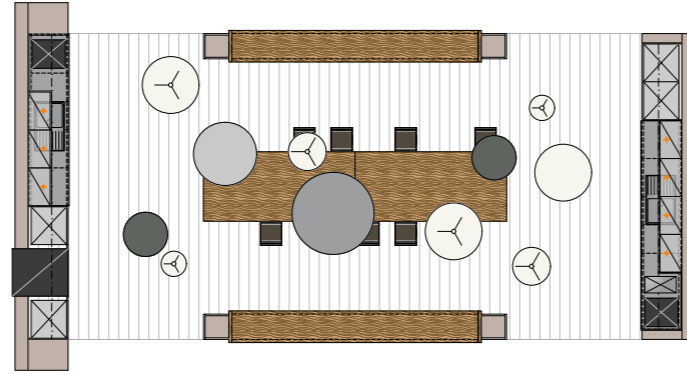

ROOMS TO WORK & FEEL GOOD

CLEVER PLANNING HINTS:

- + surfaces easy to clean
- + no catching on handles
- + good splash guard
- + big garbage bins
- + fridge with ice compartment
- + dishwasher with quick program

KITCHENETTE | LOUNGE AREAS

With the Hacker products it is wonderful easy to create offices and lounge areas. In this way, open-planned spaces receive a valuable feel-good atmosphere.

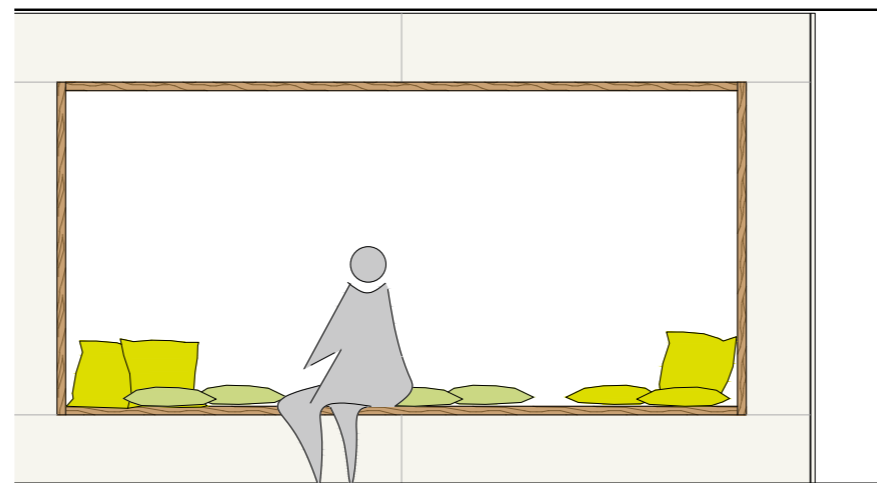

This is an incentive for all customers to use our competence also outside the classic kitchen planning.

The picture data is available on the Extranet.

PLANNING HINTS - EFFICIENCY AND FEEL-GOOD DESIGN:

- + furniture colours according to customer CI possible
- + robust laminates are perfectly suitable
- + use high quality materials, design elements and colour variants in the customer area, e.g. AV2045

OFFICES WHERE IT IS A PLEASURE TO WORK

Those who feel comfortable at work do more.

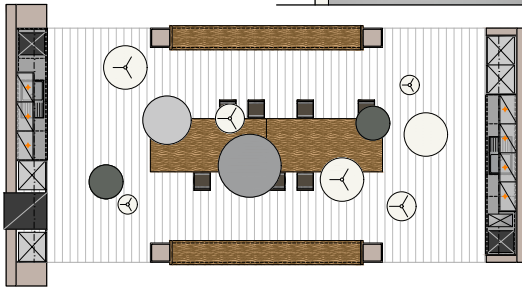

Very special working environments can be created with Häcker products. Modern and attractive, high quality and long-lasting.

A way to experience first class office design.
